System of Evaluation

Letter Grades

Each course is assigned a numerical weightage termed as credits for that particular course. A Letter Grade is awarded to students as the final evaluation in each course, and each letter grade carries numerical points known as **Grade Points**, as shown below:

For admissions in or after year 2015		
Grade	Grade Points	Significance
O	10	Outstanding
A+	9	Excellent
A	8	Very Good
B+	7	Good
B	6	Above Average
C	5	Average
P	4	Pass
F	0	Fail
NA	0	Absent

A student passes the course if he/she gets any grade in the range of O to P; but fails if he/she gets the grade F or NA.

SPI/CPI

SPI : The performance of a student at the end of every semester is evaluated in terms of the weighted average of grade points secured in all the courses for which the student registers in the semester, which is known as Semester Performance Index.

CPI : It indicates the overall academic performance of a student in all the courses registered up to and including the last completed semester. It is computed in the same manner as the SPI, considering all the courses.

CPI of 6.5 or above is considered as First Class.

CPI to Percentage conversion-formula:

$$\text{PERCENTAGE} = \frac{(\text{CPI} - 0.5)}{0.1}$$

The medium of instruction is English.
