

Sierra Leone passports are issued and renewed by the competent authorities in Sierra Leone and by the Diplomatic Missions and Consulates of Sierra Leone abroad to which application should be made. Passports should not be sent from one country to another by post.

This passport is valid for 5 years. If at any time the passport contains no further space for visas, a new passport must be obtained.

The possession of a passport does not exempt the holder from compliance with any immigration regulations in force in the territories or from the necessity of obtaining a visa or permit where required.

Sierra Leone citizens who are resident abroad should at the earliest opportunity register their names and addresses at the nearest Diplomatic Mission or Consulate of Sierra Leone. Failure to do so may in a period of emergency result in difficulty or delay in according them the assistance and protection to which they are entitled. Changes of address or departure from the country should also be notified to the Mission or Consulate.

This passport remains the property of the Government of Sierra Leone and may be withdrawn at any time.

It is a valuable document and should not be altered in any way or allowed to pass into the possession of an unauthorised person. If lost or destroyed, the fact and circumstances should be immediately reported to the Passport Office, Freetown, or the Sierra Leone Mission or Consulate and to the local police. New passports can only be issued in such cases, after exhaustive enquiries.
