

This image shows a page from a manuscript, likely a mathematical or astronomical text. The top half of the page features a grid of dots arranged in a 10x10 pattern, which is a common way to represent numbers in such texts. Below the grid, there is handwritten text in Arabic script, which appears to be a list or a table of values. The text is written in a cursive style, and some words are underlined. The overall appearance is that of an old, handwritten document.
